

Introducing The Little Gym 3% Back Program

Your school is participating in The Little Gym of Shaker Heights' 3% Back Program. We will give your school 3% of all money you spend during our Fall semester by enrolling your child in classes, purchasing a birthday party, camp, or a Parents' Survival Night. The Fall semester runs from August 22 - January 22. All you have to do is bring in a 3% back card with your school's information every time you make a purchase.

If you are not familiar with The Little Gym, we are a motor skill development program developed for children 4 months to 12 years old. Our focus is skill building through non-competitive gymnastics-based classes that include Parent/Child, Pre-K, and Grade School gymnastics, Sports Skills, Dance, and Karate. If you are not a current member, we invite you to do an introductory visit, and your child can fully participate in one of our classes. Please call 216-752-9049 to schedule your free visit.

At The Little Gym of Shaker Heights, we have been honored to work with many of the children and families in our community. We would like to support other organizations, such as your school, which focus on making a difference in children's lives. It is for that reason that we have created **The Little Gym 3% Back Program**.

Please give us a call if you have any questions about The Little Gym or our new **The Little Gym 3% Back Program**. We look forward to helping your school and the children of our community.

Sincerely,

The Little Gym of Shaker Heights
