

**Earn points for Carol Nursery School.
Order Scholastic Books online.**

Dear Parents,

We have found that there have been many difficulties with signing up for Scholastic Book Club. The following procedures should be much clearer and walk you through the process easily. Please know that everyone needs to sign up as a First Time user. Even if you were signed up once before, their new system is not recognizing you as a Carol Nursery School parent.

- 1. Go to [scholastic.com/bookclubs](https://www.scholastic.com/bookclubs)
(address must include "bookclubs")**
- 2. First page- click on "Parent" in the box marked "Tell Us Who You Are". Click "Continue".**
- 3. Go to the "First Time Here" box and click "Register" (* Do not use the "Parent Sign In" box at this time!)**
- 4. You are now on "Create Your Account" page. Follow the directions and click "Submit".**
- 5. Register your child's information and include the following "Class Activation Code" - GLLBF (all capitals) Click "Continue"**
- 6. Your child's page will appear with their classroom teacher listed as "Carol Nursery School". Click "Start Shopping"**

Have Fun Shopping!

*** After your initial shopping spree, each time you return to the [scholastic.com/bookclub](https://www.scholastic.com/bookclub) website, you can enter through the "Parent Sign In" box because you have already successfully registered.**

Thank you for your patience with this process!
