**Spanish Vocabulary - Carol Nursery School**

**For those of you who are new to the school, welcome/bienvenidos! My name is Monica Steiner and I am your child's Spanish teacher. I am ready for another fun and exciting year helping your child learn new Spanish words this year. Please consider reviewing some of these words with your child. It will definitely reinforce what we are working on in class together. Have fun!**

**Over the next few weeks we will be learning and reviewing our Spanish numbers. See how high your child can count. One way I will make sure each child gets practice is to have them count different objects. Today it will be stars/las estrellas.**
