Spanish Vocabulary - Carol Nursery School

Last week we read the first half of the book Go, Dog, Go by P.D. Eastman. In Spanish it is titled Corre, perro, corre. The children got very excited as the dogs in the story experienced opposites. I was especially excited when they remembered Spanish words from our last two classes, such as arriba and abajo or rapido and lento. This week we will read the last half of Corre, perro, corre, and we will find out why the dogs were going fast in cars. Finally we will dance to a song called "Mano aca". It's a fun dancing song that has us putting our hands in opposite places. Our stamp for today is una estrella verde. Our next Spanish class will be April 12th. Have a great spring break!
