We are offering special facilitated play groups for 2 - 2 1/2 year olds in Fall 2011. The toddler play group is designed as a shared play experience for parent and child in a setting that is safe and emotionally supportive. This will be a great opportunity for your child to get acquainted with a preschool environment.

We are offering two sessions of the Toddler Play Group. You may choose to enroll your child in both sessions. The group will meet once a week for one and a half hours.

Each session is limited to 8 children and parents. The cost of each 6-week program is \$110. (This program does not qualify for the sibling discount or financial aid.)

Please call Sara Miller, Director at 216.991.3449 if you have any questions about our Parent-Toddler Play Group. An enrollment form is attached.
